- 1 BRENDA JONES
- 2 A. I don't recall.
- 3 Q. Do you know how many open positions?
- 4 A. I don't recall.
- 5 Q. Do you know if more people applied than were open
- 6 positions?
- 7 A. I'm sure.
- 8 Q. Why do you say you're sure?
- 9 A. Because unemployment rates in the city of Detroit is
- 10 extremely high.
- 11 Q. And is a job with the City considered a good job here
- in Detroit?
- 13 A. I'm sorry?
- 14 Q. Is a -- is a job with the City of Detroit considered a
- 15 good job?
- 16 A. Yes.
- 17 Q. As president of the City Council, do you also monitor
- the morale of the City employees?
- 19 A. I don't have to monitor; the City employees talk to
- me.
- 21 Q. Okay. So you would say that you're generally aware of
- 22 the morale of the City employees?
- 23 A. If they talk to me, yes.
- 24 Q. And do you monitor in any way the productivity and
- 25 performance of the City's employees?

- 2 A. The City employees do not report to me. If there's a
- 3 concern, I will let the mayor and/or the corporation
- 4 counsel know about the concern.
- 5 MARKED FOR IDENTIFICATION:
- 6 DEPOSITION EXHIBIT 3
- 7 11:38 a.m.
- 8 BY MR. ARNAULT:
- 9 Q. Madam President, I'm showing you what's been marked as
- Jones Exhibit 3. Have you had a moment to review that
- 11 document?
- 12 A. Yes, I have.
- 13 Q. Just for the record, it's an October 2013 press
- 14 statement regarding certain cuts to health benefits.
- So I take it you're aware that in October of 2013, the
- 16 City announced there would be changes to healthcare;
- is that right?
- 18 A. Correct.
- 19 Q. And these were changes to both active and retire
- 20 healthcare; is that right?
- 21 A. Correct.
- 22 Q. Let's start first with the changes to active
- 23 healthcare. Do you know if the proposed changes to
- 24 tif healthcare had any impact on the morale of the
- 25 City employees?

- 2 A. Yes.
- 3 Q. And that's because the City employees care about the
- 4 benefits that they receive; is that right?
- 5 A. That is correct.
- 6 Q. And did you talk to your employees about -- or did you
- 7 talk to the employees about the changes to their
- 8 active healthcare?
- 9 A. Yes, I have.
- 10 Q. Okay. And what do they tell you about it?
- 11 A. No one is happy when changes occur, and no one's happy
- 12 when the costs increases. People like to see a
- decrease, so they were concerned with the cost as well
- 14 as the coverage.
- 15 O. And based on your discussions with them, did this
- 16 announcement impact employee morale?
- 17 A. No one said it impacted their morale. They just
- 18 discussed to me what was going on.
- 19 Q. Based on your conversations, did you get the sense
- 20 that had had a negative impact on the City employees?
- 21 A. Yes.
- 22 Q. And were you able to tell based on your discussions
- with them the employees that this announcement had an
- impact on productivity or job performance?
- 25 A. I could not tell.

- 2 Q. Were you consulted about the -- the changes to active
- 3 healthcare that were announced in October 2013?
- 4 A. Yes, Council was consulted.
- 5 Q. And who did you speak with about the changes to active
- 6 healthcare in October?
- 7 A. I don't -- I don't -- I don't remember, but someone
- 8 came to the table, and informed counsel of the
- 9 changes.
- 10 Q. And would this have been someone from Mr. Orr's
- 11 office?
- 12 A. I believe it was someone from the HR, but I don't
- 13 remember who.
- 14 Q. And the purpose of this, informing the Council, was
- just to simply let them know that these are the
- changes that the emergency manager would be proposing?
- 17 A. I don't recall.
- 18 O. In October of 2013, the City also announced that it
- 19 was making changes to the healthcare of retirees; is
- 20 that right?
- 21 A. Correct.
- 22 Q. And these changes affected only those employees who
- 23 had already retired; is that right?
- 24 A. Correct.
- 25 MR. BARNOWSKI: Object to form.

- 2 BY MR. ARNAULT:
- 3 Q. And would it be fair to say that the announcement
- 4 regarding the changes relating to retire healthcare
- did not have an impact on the active employees?
- 6 A. I'm sorry can you repeat that.
- 7 Q. Would it be fair to say that the announcement
- 8 regarding the changes to retire healthcare did not
- 9 have an impact on active employees?
- 10 A. I can't answer.
- 11 MR. BARNOWSKI: Same objection.
- 12 BY MR. ARNAULT:
- 13 Q. So you don't know whether the changes to retiree
- healthcare had any impact on the active employees?
- 15 A. Well, we talked about the changes to active employees
- and now we're talking about the changes to retirees,
- so maybe I don't understand your question.
- 18 Q. Well, I just want to know whether the changes to
- 19 retiree healthcare in your conversation with the
- 20 active employees, whether they expressed concern
- 21 regarding the changes to retiree healthcare and
- 22 whether that had any impact on them?
- 23 A. I don't know.
- MR. BARNOWSKI: Same objection.
- 25 BY MR. ARNAULT:
